Re: Offer of Employment

Dear Ajay Aryan:

As we discussed via email, on January 2, 2025, we are extending to you an offer of employment as Full-Stack Developer Intern. If you accept our offer of employment, the following terms and conditions will apply.

Your job responsibilities are as follows:

- Audit, repair, and improve existing code.
- Contribute to developing better processes for multi-channel sentiment analysis and signal integration.
- Maintain thorough documentation and communicate progress regularly.
- Collaborate in a sprint-based workflow to ensure timely delivery of tasks.
- Take the initiative to lead small projects or team efforts when required.

Please plan to begin work on January 20, 2025. I will contact you prior to January 07, 2025 to confirm your starting date.

Your employment will be for a term of three months, after which time the employment contract will be revised for possible renewal.

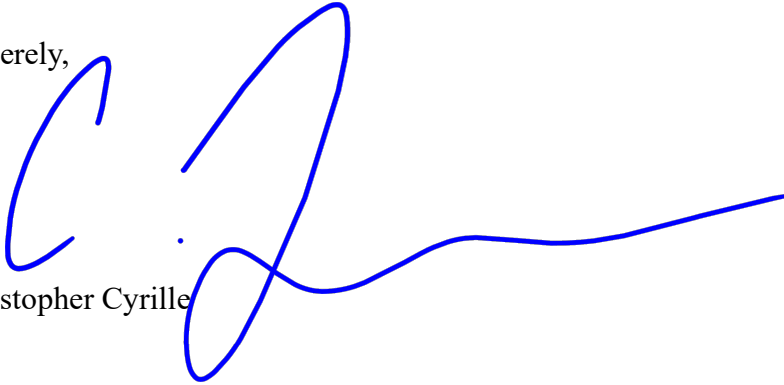

If the above terms meet with your understanding of our discussion, please contact me at your earliest convenience regarding whether or not you will accept our offer of employment. I may be contacted by email at aquainsightsllc@gmail.com. If you decide to accept our offer, we will

formalize our discussion with an employment agreement. This letter itself does not constitute an employment agreement.

We are looking forward to the opportunity of working closely with you in the near future.

Sincerely,

Christopher Cyrille
