SNTIMNT.AI

Subject: Work Experience Certificate

To Whom It May Concern,

This is to certify that Ajay Aryan has been employed with SNTIMNT.AI from January 20, 2025, to April 11, 2025, as a Tech Lead. During this period, Ajay proved extraordinary in the tasks allocated throughout his tenure. He exhibited great technical prowess and problem-solving capacity, with outstanding commitment to the role. His contributions to the business have been remarkable.

The team greatly benefited from Ajay, who completed highly effective initiatives showcasing innovation and leadership. He was a brilliant technologist and a thoughtful collaborator, consistently curious and always making the right decisions, even under pressure.

Skills & Contributions:

- Led a team of five, including a Quantitative Analyst, Machine Learning Specialist, and Developer, overseeing project development, implementing technical solutions, and ensuring effective collaboration.
- Designed and implemented a scalable sentiment analysis pipeline. Hosted and optimized machine learning models on AWS, leveraging GPU resources for efficient computation and deployment.
- Employed agile methodologies using Jira and GitHub, aiding in documentation and reporting to streamline sprint execution and enhance cross-functional teamwork.
- Provided hands-on technical leadership, ensuring adherence to best practices for code quality, scalability, and project progress while addressing challenges during development and deployment.
- Gained end-to-end project experience, with a deep understanding of the codebase, infrastructure management, model deployment, and monitoring to ensure seamless transitions throughout the project lifecycle.

Ajay's leadership was also instrumental in building the foundation of our technical roadmap and guiding SNTIMNT.AI toward a scalable and efficient future. He was an asset to our team and consistently upheld our company's values of curiosity, excellence, and integrity.

SNTIMNT.AI hopes Ajay will continue to succeed in his future projects and endeavors.

Sincerely,

Chris Cyrille
